## **New Airline Dispatcher Course for Phoenix East Aviation**

Daytona Beach, Florida, USA — Phoenix East Aviation, Inc. (PEA) announces the addition of a new Airline Dispatcher Course to their professional aviation courses. In addition to a broad range of pilot training courses and programs, Phoenix East now offers a six week, FAA-approved Airline Dispatcher Course at their facility in Daytona Beach, Florida.

Training includes Meteorology, Federal Aviation Regulations, Aircraft Systems and Performance, Global Navigation Systems, Communications, Navigation, Air Traffic Control, Practical Dispatching, Flight Planning and all other training required for FAA certification.

Phoenix East also offers students housing and transportation for the six-week course. Both U.S. and international airlines in the U.S. readily hire FAA-certified dispatchers, and PEA students come from countries throughout the world. For international students, Phoenix East is approved by the US government to issue the M-1 (I-20) visa required for non-US citizens. Students are also provided assistance and training in resume preparation and job placement.

Phoenix East Aviation, Inc. provides comprehensive pilot training, specializing in professional flight instruction, as well as airline dispatcher training. FAR Part 141, private, commercial and multi-engine professional programs and FAR Part 61 flight courses are offered. The school is nationally accredited and is approved to offer Veteran Benefits under the G.I. Bill, as well as offering M-1 and J-1 visa programs for foreign students. Headquartered in Daytona Beach, Florida, where the climate permits flight operations 350+ days a year, the school has been in continuous operation since 1972.
